The latest ERC '69 News

Edition #5

Ben Jansen

That was another pretty productive week say!

The Mini's champion! Contract negotiations with Molly Malone, a TBM day plus a youth camp -and as the icing on the cake on behalf of ERC with Stefan Knap to the skybox at FC Twente. What we did there? Hopefully I can tell you more about that in a future newsletter.

The TBM day was a great success! My thanks go to all the people who made this possible. As chairman it gives you a proud feeling when you see how many members and friends selflessly contribute to make a day a success. You can read more about this day in Tonny's report.

Last Saturday I had a nice conversation with Lynda and Bart, the owners of Molly Malone. For the 13th year in a row they are -and will remain- loyal to ERC'69. To celebrate this we are going to watch rugby together at Molly's, the first drink is offered to you on behalf of Lynda and Bart.

Enjoy reading all, hopefully next time more news about the Skybox stories from Stefan and yours truly.

Ben Jansen, chairman ERC'69

De Mini's worden groot!

Hebben ze eindelijk die pot met pindakaas gevonden...?

Saturday morning, 29-10-2022, tense faces on the ERC'69 grounds. Today, in addition to the youth camp later that day, TBM day is upon us. Unlike usual, the minis are playing in a two pool system today, allowing for real competition to win the tournament.

The first game we play against the Dragons. The minis started the game well, they played well together, always trying to play the whole line and make use of the spaces in the field. At times this worked out very well, resulting in a 6-3 win!

The team starts to realize that if we win the next game, we will be in the final. The players are looking forward to the next game against Groningen!

Full of good courage and good intentions, our men start the game. However, Groningen flies out of the starting blocks and puts our men at a 4-0 deficit in no time. We have trouble tackling and passing the ball to each other. At halftime we are also confronted with injuries and we are actually one player short. Sporting Groningen was willing to lend us a player so that the match could be played 12 against 12. This turns out to be a golden touch! Our guest player is not going to spare his own team and makes 2 tries! The belief comes back in the team and the men go for it! Good tackles, good teamwork and some fantastic Individual actions bring us the win 5-4! We are going to the final!!!

The euphoria is great, but is soon tempered a bit when it is announced that other finalist is our "fear opponent" Zwolle. We have already faced Zwolle several times this season and always had to lose. So the pressure is on, a real final against Zwolle at home in front of our own crowd. We drew up a battle plan and agreed that we would give everything in this match! Our players started the game well and with concentration, and it went smoothly for a long time. At halftime we agree that the battle plan seems to be working. We feel that we are stronger, we win all the scrums and also all the line-outs are for us. Eventually we break the spell in 2nd half and run out to a 7-5 final score! Champions!!! Full of pride the gentlemen (and lady!) are eating a sausage sandwich, they could not have wished for a better start of the youth camp!

- Did you know:
- Last TBM day our club was the only one with both 2 teams Turfs and 2 teams Benjamins?
 - The number of youth players has grown in 10 years from 5 to 86 now?
 - The end is far from in sight?
 - We have a new match secretary, Bram Oudman!
 - Besides playing a game of rugby, Bram can also lead a match extremely competently as ref.
 - He is literally storming the premier league! (And we are very proud of that!)
 - We currently have a large group of volunteers?
 - The volunteer drinks at Big Belly's this season will therefore be memorable.
 - We would like to see 1 vacancy filled as soon as possible: a volunteer coordinator?
 - Our treasurer (Oscar) is entering his last season?
 - We would appreciate it if someone would run with Oscar for a year so that he or she is well prepared?

Youth camps and the TBM tournament

We had a fantastic youth rugby weekend with ERC for the TBM and the Cubs.

The Cubs had a camp at the Meene in Haaksbergen on Friday, October 28 and Saturday, October 29. This started with fries and hamburgers, then a pub quiz followed by a campfire and little - very little sleep. After 1 or 2 hours of sleep the activities resumed on Saturday morning with breakfast and the second part of the pub quiz. After that we cleaned up, packed up our stuff and took care of the TBM.

On Saturday morning the TBM first played a tournament in Enschede with all the other clubs from the region. Gelre and Groningen were also present with their Minis. Our Minis did a fantastic job and made it to the finals and won!!!

After the matches a sandwich and make sure they arrived in Haaksbergen at the Meene as soon as possible for their camp.

That started with the first part of the six-country tournament. Participants were Italy, Scotland, England, France, Ireland and Wales. They competed for the Sprinkles Cup by playing matches against each other in different parts, including Sumo wrestling etc.

French fries and hamburgers were also eaten in the evening, after which the campfire was lit with all teams first doing a round of the campsite (breaklight scavenger hunt), after which they were given marshmallows to hold over the fire.

The Turves were in bed by 9 a.m. and still not asleep by noon. The Benjamins the same, but later and the Minis even later. Those had to be let out at night to get sleep.

In the morning at 06.00 (winter time) all hell broke loose and everyone was awake, breakfast at 07.30. After breakfast the 6 countries played murderer's game, making a final score for the Sprinkles Cup. In between there was a nice hour's walk around the Scottish Highlanders on the Witteveen.

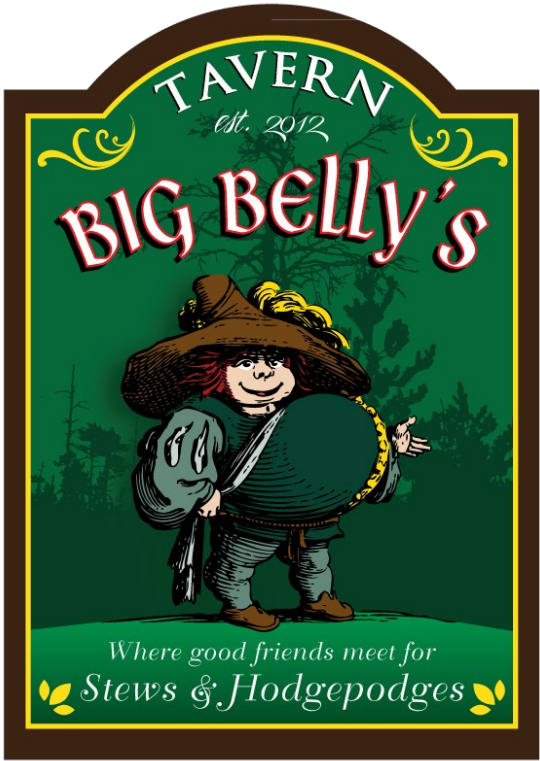

Then it was time for the presentation of the Hagelslagcup. It took 3 games of Living Butter, Cheese and Eggs to determine the winner between Italy and France. In the end, France walked away with the coveted Cup.

In short - Top weekend!!!

Without all the coaches, referees, bar volunteers, cake bakers, camp counselors, organizers etc. this would not have been possible.

Thank you so much to everyone who helped!!! Proof once again - many hands make light work.

Greetings,
Tonny
